

## CERTIFICATE OF QUALIFICATION

The General Authority of Civil Aviation (GACA) accepts the French DGAC certification, as a member of the Joint Aviation Authorities (JAA), N° FR-115 Z for the under mentioned Flight Simulator:

**EMBRAER 190**  
(GE CF34-10E7 Engines)

Manufactured by:  
**Flight Safety International**

Located at:  
**Jordan Airline Training and Simulation (JATS)**  
**Queen Alia Airport - Amman, Jordan**

As level:  
" D "

This approval is granted on:  
**12 February 2011**  
for the purpose of using the above mentioned Flight Simulator for training  
and checking programs and remains valid until:  
**31 January 2012**

This approval is conditional upon the DGAC certification remaining valid  
or sooner suspended, revoked or varied.

  
**Capt. Mohammed Ali B. Jamjoom**  
Vice President, S&ER - GACA
