## WELCOME TO Swiss Aviation Training IN MUNICH

Switzerland and Southern Germany now have more than the Alps in common. Because Swiss Aviation Training (SAT) and Lufthansa Flight Training (LFT) have teamed up on the training front: SAT now trains pilots, cabin crew members and aircraft mechanics in Munich, too, at LFT's training facilities.

The Lufthansa Flight Training Center (LFTC) is located conveniently close to Munich Airport. SAT operates an Embraer 190 full-flight simulator here, and offers type training that is closely and carefully tailored to the specific wishes and needs of each airline customer.

Whether you're an aircraft mechanic, pilot, cabin crew member or other airline employee, we want you to be as happy and comfortable as possible throughout your

SAT training stay. So please see this booklet as our way of welcoming you to Munich. We hope it helps you enjoy your time with us, and wish you every satisfaction and success.

Capt. Manfred Brunsald  
President & CEO  
Chairman of the Board

## EMBRAER 190 TRAINING

Swiss Aviation Training (SAT), a subsidiary of Swiss International Air Lines and a Lufthansa Flight Training cooperation partner, is an international training organisation that is known and respected throughout the world airline sector. SAT has been awarded "Preferred Embraer Training Provider" status in Europe, the Middle East and Africa for its Embraer E-jet training, and holds further official training approvals from Jordan, Egypt, the United Arab Emirates, China, Japan, Singapore and Australia. In Munich SAT operates its own Embraer 190 flight simulator and conducts training for pilots, cabin crew members and aircraft mechanics.

## ACCESS

Your Swiss Aviation Training instructor will arrange your access to the main LFTC building and the simulator centre on your first training day. For this you will be issued with a special access card, which you will need to hand back when your training is completed.

## WHERE TO FIND Swiss Aviation Training

- Office 219 and Classroom 112 in the main building
- Briefing Room B.1.5 in the simulator centre (accessible via the Skywalk)
- Maintenance Office B.1.1 (which is near Briefing Room B.1.5)

The way to the Skywalk is clearly marked. You will also find an overall display in the foyer and signs on the stairs and on each floor showing you how to get to our Swiss Aviation Training facilities.

# USEFUL INFORMATION

## **PARKING**

You may park your car in Car Park P 81 at the Flight Operations Center (FOC).

## **LOCKERS**

Lockers are available for storing hand baggage in the entrance area and on each floor. The keys to these are available from Reception (a deposit will have to be paid).

## **INTERNET FACILITIES**

Terminals with free internet access are available on the ground floor, next to the lockers and the lift.

## **SMOKING AREAS**

Smoking is prohibited throughout the Training Center. You may only smoke in the designated smoking area outside.

## **FOOD AND DRINK FACILITIES IN THE TRAINING CENTER**

On the ground floor of the main building you will find:

- hot and cold drinks vending machines.
- a snack facility with a selection of salads and pastries.

## **FOOD AND DRINK FACILITIES OUTSIDE THE TRAINING CENTER**

- There is a cafeteria opposite the Center which serves breakfasts and lunches (if you wish to make use of this, please inquire at Training Center Reception about a cafeteria payment card).
- There is a restaurant at the NH-Hotel (which is about 500m away).
- You will also find various restaurants in the centre of Schwabing.

## **THINGS TO DO**
